We Love Hachinohe Senbei Soup!

"Shioteba", a local specialty of Hachinohe that originated at this morning market where they deep-fry juicy Nanbu Jidori chicken wings and season them with salt.

Freshly-baked bread and coffee. It's a luxurious way to enjoy breakfast at Hachinohe Morning Market.

The good old cheesecake that keeps its taste and price to this day.

Fresh seafood carefully-grilled with charcoal to keep the tastiness inside.

Local specialties of Hachinohe Area can be found all at once! This is where you can discover the latest specialties of Hachinohe!

These are edible. Worm Gummy

They provide a variety of stewed dishes!

You cannot miss locally-grown products, such as garlic from Takko Town, Shiitake mushrooms from Shingo Village and edible chrysanthemums from Nanbu Town.

Where else can we see this? Making your own Udon noodles with Nanbu rice crackers.
